Summer assignments due first week of school...

(All students must complete the following

Let's get this summer started with a

Summer journal from June 3rd to Aug. 4th students you are asked to document your daily journey of summer 2019. While you don't have to capture every single day you are required to have one entry per week recapping the exciting and not so exciting days of your summer vacation.(Each entry must have a date and a title at the top of the page) This assignment will be counted as an extra credit journal grade. (Due Aug Fri. Aug 9)
